

## *Duo con Brio Sound Engineer*

Randy Burlingame has worked in the music industry for over 35 years. As a third generation musician, he understands what it takes to make each performance a satisfying experience for the audience.

For 15 years, Mr. Burlingame worked as co-producer and sound engineer of "Home Grown Live", a locally well know jazz program, broadcast from KMHD radio on the campus of Mt. Hood Community College. On the radio show, he was responsible for running live sound for groups to play on the radio, while simultaneously monitoring the on air announcer. This gave him a unique experience, giving him the ability to work with diverse situations, where many variables can be involved. When hiring Randy Burlingame for your event, you can feel confident that he will do his best to

help make your special day a beautiful memory that you can cherish for many years to come.

### **Additional costs:**

**Mileage:** Mileage will be charged outside the Portland/Vancouver metro area at the rate of 50 cents per mile round trip. No fee will be charged in town.

**Additional Hours:** The above rates are for the standard contracted wedding ceremony. The additional hourly rate is \$60 per hour. This can be pro-rated to \$15 per 15 minute interval.

**Masses:** Are charged the standard contracted wedding ceremony rate plus the additional hourly rate of \$60 per hour.

### **Additional Service:**

**Live CD Recording:** This will include both the audio portion of the wedding ceremony and live musical performance by the musicians of Duo con Brio. A stereo recording on Disc will be presented on site at the conclusion of our services. Additional CD's can be purchased and will be mailed upon request.

### **Equipment:**

Although wireless technologies have advanced, we choose to use wired equipment. This minimizes the possibility of sound interference. The mics are placed to be able to pick up the officiant/bride/groom and any readers.

I look forward to meeting you at the event!
